Notes:

Young Men ages 12 through 18 can participate in the Cedar Badge program.

Young Women ages 14 - 18 may participate with the Cedar Badge program.

Camp program depending on age group may include: Waterfront, Rifle Range, Archery Range, Nature Area, Low Cope, High Cope, Hiking, etc.

C.O.P.E. stands for **Challenging Outdoor Personal Experience**. These experiences build confidence, trust, communication, leadership, decision making, strengthen problem solving skills and teamwork, and can end with a thrilling Zip-Line ride or rappelling off the tower.

Tall Timber

Tall Timber is the umbrella program for the fabulous trainings and activities that happens at Island Park Scout Camp the first full week of August. Tall Timber gives families a chance for them to attend a training course and have the rest of the family at camp enjoying themselves.

Family Camp

Most kids describe Family Camp as being more fun than Disneyland. Family Camp has groups that take care of family members from 18 months old to 98 years old. Each group fills their days with fun activities and projects that are age appropriate for them. To participate you must have at least one family member attending one of the four different training programs being offered at camp. You must also have a responsible adult who is not attending a training program who will be responsible for the kids during meal times, in the evenings and at other times when the program groups are not in session.

Cedar Badge

Cedar Badge is a National Youth Leadership Training course. This is an exciting and action packed program designed to provide youth with leadership skills and experiences that they can use in their home units and in other situations demanding leadership of self and others. Cedar Badge is for all youth 12-20 years old. See the Cedar Badge flyer for addition information and details.

Wood Badge

Wood Badge is for all Scout leaders, and should be completed within two years of being registered. It had been developed for all unit serving leaders as well as those who serve on the District or Council levels. Wood Badge is give the participants skills and tools to be more effective in their personal, family, work and Scouting lives. Most people who attend only wish that they would have taken advantage of this opportunity earlier.

Powder Horn

Powder Horn is a training course designed to introduce and expose adults and youth leaders to activities and resources necessary to operate successful high adventure outdoor programs. This is beneficial for all Scout and church leaders who deal with youth 14 years old and older. Youth leaders 14-20 are also encouraged to attend. Many have described this as a week filled with adventure while learning how to do these adventures filled with fun and safety.

AKELA'S
ADVENTURE

Akela's Adventure

Akela's Adventure is designed for all Cub Scout leaders, whether you have been serving for 2 weeks or 20 years! This is a comprehensive training program with topics ranging from den management and pack planning, to awards, advancement, and skills development, among many other topics. This is where you will find all the most up-to-date information

What is Tall Timber?

Tall Timber is a great experience where adults can either attend Wood Badge, Powder Horn, or Akela's Adventure while the rest of the family can attend Family Camp or Cedar Badge, depending on their ages. Family Camp has special age-related programs and activities for those who range in age from 18 months through adulthood.

Tall Timber gives Scouters a chance to attend training and still spend time with their families. During most meals and some nights families are together talking about the exciting things everyone was able to do and creating some great memories together. The exception to this is with Cedar Badge. Due to the nature of its program, Cedar Badge participants are busy with their own program and you will not be seeing them until Saturday. Wood Badge, Powder Horn and Akela's Adventure participants will also be spending some evening time with their respective trainings.

☺ Each person coming to camp **must** have a current BSA Health and Medical Record with them to turn-in at check-in at camp. Everyone who is participating in Wood Badge, Powder Horn, Cedar Badge and the Adult Program of Family Camp need to fill out parts A, B, and C and have it signed by a doctor. Children age 1-10 just need parts A and B filled out.

Tall Timber begins with an orientation Monday morning at 8:30 a.m. Monday morning check-in is from 7:00-8:00 a.m. everyone must be checked-in by 8:00 a.m. For those families who wish to check-in early there will be a Sunday evening check-in from 6:00-8:00 p.m. **Please do not arrive before 6:00 p.m. on Sunday.** The first meal at Tall Timber is Monday's lunch.
