**A FAMILY SCOUTING
EXPERIENCE
AUGUST 1-6, 2016
ISLAND PARK SCOUT CAMP**

WHAT IS TALL TIMBER?

Tall Timber is a great experience where adults can either attend Wood Badge or Powder Horn, or Akela's Adventure while the rest of the family can attend Family Camp or Cedar Badge, depending on their ages. Family Camp has special age-related programs and activities for those who range in age from 18 months through adulthood.

Tall Timber gives Scouters a chance to attend training and still spend time with their families. During most meals and some nights families are together talking about the exciting things everyone was able to do and creating some great memories together. The exception to this is with Cedar Badge. Due to the nature of its program, Cedar Badge participants are busy with their own program and you will not be seeing them until Saturday. Wood Badge, Powder Horn and Akela's Adventure participants will also be spending some evening time with their respective trainings.

For additional information about Wood Badge, Powder Horn, Cedar Badge, Akela's Adventure or Family Camp, check the individual flyers/registration forms connected with these programs.

Each person coming to camp **must** have a current BSA Health and Medical Record with them to turn-in at check-in at camp. Everyone who is participating in Wood Badge, Powder Horn, Cedar Badge and the Adult Program of Family Camp need to fill out parts A, B, and C and have it signed by a doctor. Children age 1-10 just need parts A and B filled out.

Tall Timber begins with an orientation Monday morning at 8:30 a.m. Monday morning check-in is from 7:00-8:00 a.m. everyone must be checked-in by 8:00 a.m. For those families who wish to check-in early there will be a Sunday evening check-in from 6:00-8:00 p.m. **Please do not arrive before 6:00 p.m on Sunday.** The first meal at Tall Timber is Monday's lunch.

Notes:

- Young Men ages 12 through 18 can participate in the Cedar Badge program.
- Young Women ages 14 - 18 may participate with the Cedar Badge program.
- Camp program depending on age group may include: Waterfront, Rifle Range, Archery Range, Nature Area, Low Cope, High Cope, Hiking, etc.
- C.O.P.E. stands for Challenging Outdoor Personal Experience. These experiences build confidence, trust, communication, leadership, decision making, strengthen problem solving skills and teamwork, and can end with a thrilling Zip-Line ride or rappelling off the tower.
